Dear Mr Furniss

TOWN AND COUNTRY PLANNING ACT, 1990 (AS AMENDED)

**Proposal: Erection of extension to the side and front of Corfe Village Hall,
Newton Lane, Corfe (resubmission of 12/23/0002)**

Application Type: Full Planning Permission
Grid Reference: 323168.119756

Please find enclosed the decision notice for your planning application **12/23/0005**. It is very important that you carefully read the entire notice including the conditions. No further reminder letters will be sent.

Planning Conditions

Planning permission is conditional on the compliance with any attached conditions. Failure to adhere to the requirements of a condition can result in unauthorised development taking place and enforcement action being taken against you.

It is your responsibility to ensure that you have complied with all the requirements of all conditions.

Approval of Details Reserved by Condition

Some conditions can require the submission of information or further details prior to any works commencing. Failure to comply with the requirements of any such condition could result in the planning permission becoming null and void.

Should you be required to submit further information for approval by any condition there is a charge £43 for householder applications and £145 for all others. The fee is payable for each request, which can include details of more than one condition. Please make a telephone payment by ringing 01823 219147 or cheques should be

made payable to Somerset Council and must be submitted with the request to the Conditions Monitoring Officer. Application forms for the approval of details reserved by condition are available from the Planning Portal website.

There are no national requirements for applications for the approval of details reserved by condition except that they should be made in writing and that the authority should determine them within 12 weeks of the application being validated. It is therefore important that any request is made in a timely manner to avoid any delays in works commencing on site.

Building Regulations

Building Regulation approval is a separate matter from obtaining planning permission for the work that you are intending to carry out. Most building work whether new, alterations, extensions or change of use requires Building Regulations approval. For more information about the Building Regulations, from what they are to what is covered by them, please contact the Somerset Building Control at buildingcontrol@somerset.gov.uk or telephone 0300 303 7790. Additional information can be obtained at - <https://buildingcontrol.somerset.gov.uk/>

Site Notice

The Local Planning Authority may have erected a Site Notice on or near the application site to advertise this development proposal. Could you please ensure that any remaining notice in respect of this decision is removed from the site and suitably disposed of. Your co-operation in this matter is greatly appreciated.

Yours sincerely

Somerset Planning – West Team

TOWN AND COUNTRY PLANNING ACT, 1990 (AS AMENDED)

Application No: 12/23/0005
Proposal: Erection of extension to the side and front of Corfe Village Hall, Newton Lane, Corfe (resubmission of 12/23/0002)

Application Type: Full Planning Permission
Grid Reference: 323168.119756

Somerset Council under the above Act hereby GRANT PERMISSION for the above development.

The development must be carried out in accordance with the application and accompanying plan(s) submitted to the Council and is only valid subject to compliance with the following condition(s):

- 1 The development hereby permitted shall be begun within three years of the date of this permission.

Reason: In accordance with the provisions of Section 91 Town and Country Planning Act 1990 (as amended by Section 51(1) of the Planning and Compulsory Purchase Act 2004).

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans:

(A4) DrNo 0015-500 Rev D Location Plan
(A3) DrNo 0015-200 Rev C Proposed Site Plan
(A3) DrNo 0015/100 Rev C Proposed Extension Ground Floor Plan
(A3) DrNo 0015/101 Rev B Proposed Roof Plan
(A3) DrNo 0015/110 Rev C Proposed Elevations OPTION 2

Reason: For the avoidance of doubt and in the interests of proper planning.

- 3 The following will be incorporated into the site proposal with photographs of the installed features submitted to the Local Planning Authority prior to first occupation:

Installation of 1 X standard bird boxes, purchased or built, on to a mature tree on site or the Village Hall, facing east or north, at a height above 3m.

Installation of 1 X A bee brick would contribute to the Somerset Pollinator Action Plan. Research shows that bees will live in the bricks and there is no risk associated with their installation as solitary bees do not live in hives or have a queen, and do not sting. The bricks have a solid back with the cavities placed on the outside wall.

Reason: In accordance with Government policy for the enhancement of biodiversity within development as set out in paragraph 174(d) of the National Planning Policy Framework.

NOTES TO APPLICANT

1. In accordance with paragraph 38 of the National Planning Policy Framework 23 the Council has worked in a positive and creative way with the applicant and has negotiated amendments to the application to enable the grant of planning permission.
2. The developers are reminded of the legal protection afforded to nesting birds under the Wildlife and Countryside Act 1981 (as amended). In the unlikely event that nesting birds are encountered during implementation of this permission it is recommended that works stop until the young have fledged or then advice is sought from a suitably qualified and experienced ecologist at the earliest possible opportunity.
3.
 - i) If the intention is to retain the purple plum to the north, before development commences (including site clearance and any other preparatory works), the developer is advised to erect protective fencing around the rooting area of the tree, in accordance with BS 5837:2012.
 - ii) Such fencing should be erected prior to commencement of any other site operations and be maintained and retained for the full duration of works.
4. The applicant and those visiting the hall are advised to be considerate not to obstruct rights of way or park on the private road to Barton Grange and ensure that Newton Lane is kept clear of obstruction at all times.
