October Refreshments and raffle to be provided by Chris and Audrey

Don't forget your "Flower of the Month" there is a PRIZE and the winner is chosen by the "speaker".

The evening's meeting was about making your garden more attractive and safe for hedgehogs which are seriously endangered.

The speaker was Mrs L Batt along with her husband and grandson.

The talk was sad, but informative and with some amusing anecdotes.

The flower of the month was Buddleia "Buzz"

Signed by Chairman.....Date.....
